Please describe your financial need and explain the specific circumstances that motivate your request for financial aid. (50-300 words)

I'm from India and currently pursuing my Masters in Computer Science in USA. I am working as a Research Assistant under a Professor in my University. As a part of my research work I will be given certain Stipend which will be sufficient to meet my monthly needs. In this circumstance, it will be extremely difficult for me to pay for the course certificate.

Also this course will be beneficial for my research work as it deals with the technologies I am using right now.

Please tell us why you are taking this course. What is your interest in this field? How would a Course Certificate be valuable to you? (50-300 words)

As a Part of my research work I am working on my Professor's website(www.efmaefm.org). Handling this website needs knowledge of both front and back end which I will gain eventually through this course.

Also after the completion of this Full Stack Development Specialization, I am excited about bringing new changes to my professor's website by applying the concepts that I have learn through this course. I have completed module1 within 20days and I am confident about putting the same amount of effort for rest of the modules.

Moreover, I am into my Graduating Semester and after the completion of my Masters, I will start looking for Jobs and a Course Certificate will help me get noticed and would provide a platform for more opportunities.

When participating in this course, how do you intend to demonstrate academic integrity and contribute to the course's community? (50-300 words)

I would like to actively take part in the course discussions related to each topic and share my ideas as per the best of my knowledge. During my Master's program I have learnt that integrity is a part of true educational experience and had never violated it under any circumstances. I am definitely looking forward to contribute the course community whenever it is required to make it a worthwhile educational experience for me.
